

# Nu Html Checker

This tool is an ongoing experiment in better HTML checking, and its behavior remains subject to change

## Showing results for index.blade.php

### Checker Input

Show ☒ source ☐ outline ☐ image report Options...

Check by   No file selected.

Uploaded files with .xhtml or .xht extensions are parsed using the XML parser.

Use the Message Filtering button below to hide/show particular messages, and to see total counts of errors and warnings.

- Warning** Consider adding a `lang` attribute to the `html` start tag to declare the language of this document.

[From line 1, column 1; to line 4, column 1](#)

```
@extends('template.static_template')@section('content')<!--M
```

For further guidance, consult [Declaring the overall language of a page](#) and [Choosing language tags](#).

If the HTML checker has misidentified the language of this document, please [file an issue report](#) or [send e-mail to report the problem](#).

- Error** The character encoding was not declared.

**Proceeding using** `windows-1252`.

- Error** Non-space characters found without seeing a doctype first. Expected `<!DOCTYPE html>`.

[From line 1, column 1; to line 4, column 1](#)

```
@extends('template.static_template')@section('content')<!--M
```

4. **Error** Element `head` is missing a required instance of child element `title`.

[From line 1, column 1; to line 4, column 1](#)

```
@extends('template.static_template')@section('content')<!--
M
```

Content model for element `head`:

If the document is [an iframe srcdoc document](#) or if title information is available from a higher-level protocol: Zero or more elements of [metadata content](#), of which no more than one is a [title](#) element and no more than one is a [base](#) element.

Otherwise: One or more elements of [metadata content](#), of which exactly one is a [title](#) element and no more than one is a [base](#) element.

5. **Error** Stray end tag `div`.

[From line 22, column 7; to line 22, column 12](#)

```
iv></div><
```

Document checking completed.

## Source
